

KITTERY NEIGHBORHOOD **BIKE/PED** **PLANNING**

Join us in planning for a more walkable, bikeable Kittery.

The Kittery Area Comprehensive Transportation System (KACTS) and the Town of Kittery are working together, with consultants Sebago Technics, to study the Route 1 Bypass from Memorial Circle to the Sarah Mildred Long Bridge and plan for bicycle and pedestrian facilities.

This meeting is an opportunity to provide input on the future transformation of the Bypass, i.e. number of vehicle lanes, sidewalks, landscaping, bike lanes, etc. in light of the new bridge. Steve Sawyer, P.E. of Sebago Technics will present on the work accomplished thus far. All are welcome.
